BUILDER™ Summit Details

The BUILDER Summit brings together government facility management staff, BUILDER software developers, and other industry professionals.

The BUILDER Summit 2021 as a reimagined event that brings our developers, architects, engineers, and professionals in the trade together in a showcase that innovates the SMS industry. This event is designed to create a BUILDER community to share and discuss ideas on how to more efficiently and effectively manage military and commercial facility assets.

TUESDAY, JULY 27, 8 AM – 5 PM   BUILDER TRAINING

» 8:00-8:30   Coffee & Networking
» 8:30-12:00   ASSESSOR 101 BOOTCAMP & DATA QUALITY
» 12:00-1:30   Break for Lunch

AM ### ASSESSOR 101 BOOT CAMP & DATA QUALITY (EL MIRADOR)
In this 3-hour session, the users will be provided a boot camp to align assessments to BUILDER requirements. Specific training will be on sectioning and Direct Rating consistency within a team environment. Resources to client-specific requirements will be provided.

» 1:30-4:00   WORK CONFIGURATION & SCENARIOS WORKING SESSION
» 4:00-5:00   Open Networking

PM ### WORK CONFIGURATION & SCENARIOS WORKING SESSION (EL MIRADOR)
Participants will be trained to find the data problems that undermine BUILDER key metrics. Sample data will be provided based on the Data quality reports available in BUILDER. The team will be stepped through the filter and sorting operations to find issues. Finally, quality tools will be reviewed to showcase options to accelerate manual reviews.

WEDNESDAY, JULY 28, 8 AM – 4:30 PM
